President's Message

As the end of the season nears, I am thrilled as we embark on an exciting journey to the playoffs! As passionate fans, we have stood by our players through every exciting win, loss and challenging moment this season. Now, as we gear up for the playoffs, our support is more vital than ever.

The determination of our players has brought us to this thrilling moment. As they hit the ice, they carry with them the hopes and dreams of our entire fan community. Let's rally behind them with unwavering enthusiasm and unwavering belief in their abilities.

Let's paint the stands with our team colors, chant their names with pride, and let the passion for hockey ignite our spirits. Let's remember that it's not just about the wins and losses, but about the camaraderie, the shared moments of triumph, and the memories we create together as fans.

So, let's raise our cowbells high, wear our jerseys with pride, and let the world know that we are Florida Everblades fans, and we stand with our team through thick and thin.

Belinda Hanley
